Subject: A105. Forged steel, Carbon Steel Outlets

Effective May 2 2022 pricing for Forged Steel Outlets in A105 carbon steel will be increased an average of 10%. The new price sheet is JOT-16.

These necessary increases are a direct result of the continued rapid increases on our raw material and operating costs. We will be reserving the right to limit the size of customer orders based on historical purchases.

Copy of the price sheet will be available on our website. www.pennusa.com May 2, 2022.

All of us at Pennsylvania Machine Works, LLC extend our appreciation for your continued support through the purchase of our products as we cope with the rapidly changing market conditions. If you have any questions please do not hesitate to contact us at 1-800-PENNUSA.

Sincerely,

Kevin Downs
