Re: Coronavirus (COVID-19) Update

05/08/20

To all of our valued customers:

All operations of Pennsylvania Machine Works remain fully operational and are able to handle all of your inquiries and orders. Your continued support for Penn Machine during this crisis has been appreciated. We hope that you are safe and well.

We are not experiencing any disruptions in our supply chain for raw materials and operating supplies. Our forging facility is producing forgings for us on a daily basis. Inventory levels are being maintained in order to meet daily orders. All of our freight partners report that operations remain available.

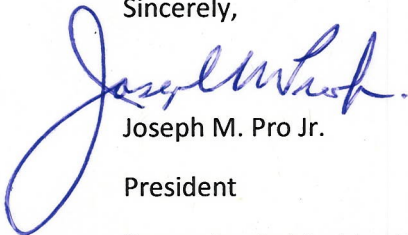

Our employees remain dedicated to each other's safety as we manage through this unprecedented world crisis. Our Management Team continues to monitor all available news regarding developments in combating the Coronavirus (COVID-19) outbreak. This has become especially critical as many states are beginning the reopening phase.

Our Outside Sales Team will remain in their local driving areas during our travel ban. They are still available to you and can be reached at their e-mail and cell phone numbers.

Our inside sales staffs are still in our offices, in their homes and are eager to assist you.

If you have any specific questions please contact your Outside Salesperson or your Inside Sales Staff for assistance. All of us at Penn Machine want to Thank You for Your continued Support.

Sincerely,

Joseph M. Pro Jr.

President
