Date: May, 3rd, 2021
Subject: A105, Forged steel, Carbon Branch connections

Effective May 3rd, 2021 pricing for Forged Steel Branch connections in A105 carbon steel will be increased an average of 15%. The new price sheet is JOT-15.

These necessary increases are a direct result of the continued rapid increases on our raw material and operating costs. We will be reserving the right to limit the size of customer orders based on historical purchases.

Copies of the price sheets can be downloaded from our Website in a few days.

All of us at Pennsylvania Machine Works, LLC extend our appreciation for your continued support through the purchase of our products as we cope with the rapidly changing market conditions. If you have any questions please do not hesitate to contact us at 1-800-PENNUSA.

Sincerely,

Kevin Downs
